DETAILED ACTION

1. Claims 7-9 and 13 are directed to an allowable species. Pursuant to the procedures set forth in MPEP § 821.04(B), claims 10-12, directed to a species, previously withdrawn from consideration as a result of a restriction requirement, are hereby rejoined and fully examined for patentability under 37 CFR 1.104.

Because all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, **the restriction requirement as set forth in the Office action mailed on 9/19/08 is hereby withdrawn.** In view of the withdrawal of the restriction requirement as to the rejoined inventions, applicant(s) are advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once the restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

Allowance

2. Claims 7-13 are allowed.

Reason for Allowance

3. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest, singularly or in combination at least the limitation "a plating film formed so as to cover continuously the entire surfaces of upper and bottom peripheral edges and a circumferential wall of said first through hole, wherein the plating

Art Unit: 2811

film is separate from the LED reflecting plate...a flange, formed on and along the entire circumference of an upper peripheral edge of the recess, to be bonded onto said plating film at a position thereof along and corresponding to the upper peripheral edge of said first through hole of said printed wiring board” as recited in claim 7.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
